 SOLUTIONS

FIVE GREAT REASONS *to take a* PROFESSIONAL DEVELOPMENT WORKSHOP

INVEST IN YOURSELF

Investing in your personal and professional development can open the door to amazing opportunities.

LEARN A NEW SKILL

Learning a new skill or broadening your knowledge can improve your overall productivity.

STAY AHEAD OF THE COMPETITION

A savvy workforce not only helps your business run better, it puts you ahead of your competitors.

REACH YOUR GOALS

Finally tick that goal off the list and you're guaranteed to feel good about it.

BE INSPIRED

Be inspired by industry experts and collaborate with peers in an informal learning environment.

CIT Solutions can customise all professional workshops to organisations for groups of 6 or more, allowing you to tailor your training to best suit your organisational needs and goals.

We also offer flexible timeframes with 1/2 day, one-day or two-day options available.

COMMUNICATION & ENGAGEMENT

CONFIDENT NEGOTIATIONS

Contrary to popular belief, good negotiators aren't aggressive or pushy people. They are usually likable, friendly and willing to discuss a solution for the greater good. It's all about avoiding argument or dispute and coming to a mutual agreement. This workshop will teach you how to confidently persuade and navigate intense conversations towards a win-win.

NEW WORKSHOPS WITH MEG SALTER

Meg Salter brings close to 20 years experience in retail sales and service industries in Australia and the UK. Meg has motivated countless delegates at national and international conferences for a diverse range of companies. She is committed to empowering individuals to change their behaviours and mindsets in order to achieve success.

COURAGEOUS CONVERSATIONS

MEG SALTER

This workshop will change the way leaders look at communicating with their team, and teach them strategies to have the necessary conversations to bring about positive and productive working relationships. It will enable them to be more honest and balanced, and as a result, gain the respect of their team and achieve sustainable results.

FINANCE FOR NON-ACCOUNTANTS

NEW

We all play a role in our organisation's financial health whether we realise it or not. Understanding the cycle of finance will help you figure out where you fit into your company's financial structure and how to achieve transparency, accountability and compliance. This one-day course will equip you with the knowledge and insight to make decisions that will lead to better financial results.
